Model :HMX2000HD INDUSTRIAL VIDEOSCOPE

Best inspection partner in transportation, power generation, or security—the X2000 videoscope!

7" LCD touchscreen / IP54 protection / HDMI / USB Type-C / Wi-Fi connectivity / Remotely controllable via our VideoscopeNow app / File management, annotation, and comment functions / Compatible with Insight report assist software / S-HD images and HD videos / Various diameters available (2.8mm/3.9mm/ 6mm) / Various lengths available (up to 7m) / IP 67 waterproof / Scratch-resistant / Heat resistant (100 degree)

Features		Description
Display		7" LCD, Resolution 1024x600
Power supply	AC adapter	100~240V, 12V 2.5A, 50-60 Hz
	Battery	Rechargeable Li Battery 3.6V 9800 mAh, approximately operation time: 5hrs, charging time: 4hrs.
Video output	HDMI	TYPE D; HDMI 1.4 transmitter with 3D format and CEC support
	USB	USB TYPE C, supporting USB full- speed and high-speed data transmission
	Wi-Fi	IEEE802.11 B/G/N
Operating temperature		With battery power 0°C ~ 45°CWith AC adapter power 0°C ~ 35°C
Drop resistance		1m
Relative humidity		Max 95% non-condensing
Storage temperature		IP57
Insert tubes interchangeability		6.0mm HD series; 3.9mm series
Software features		
Image features		Digital zoom 3X, 10 steps brightness control
Sharpness control		Clarity-on / off
Annotation		Maximum 10 annotation marks can be built in a pic, maximum 24 characters in each mark
Timestamp / watermark		For snapshot / video recording (on / off)
Image management		User defing pic / video folder available
On-screen display functions		Light boost, light off, mirror, grid, compare, wireless, particle free, dual view, light direction, negative, auto white balance
White balance		Manually adjustable (default, calibration, custom)
Recording management		
Storage media		SDHC up to 32G
Thumbnail image display		9 grid album mode
Overlay		YY/MM/DD h:m, battery capacity
Still image	Resolution	2560x1440(S-HD); 1280x720O(HD)
	Recording format	.jpg
Video	Resolution	1920x1080
	Recording format	.mov / H.264
Audio inqut		Built-in-microphone (on/off)
Frame rate		30FPS
